

## ENGLISH WHISKY

English Whisky is on a path to become revered the world over. We're delighted that The Spirit of Manchester Distillery has started on it's journey, laying down whisky made in these very arches. Our whisky will be called One Point Six, in homage to the golden ratio. We started our journey in 2022, and although not ready until 2026, you can try our New Make straight off the still, or explore some of the other incredible English Whisky Distilleries below.

## SPIRITS FROM THE DISTILLERY

It all started with gin. We began as a gin distillery in our dining room. Since then we have developed a state-of-the-art distillery which you can visit next door, where we produce a range of internationally acclaimed gins, vodkas, rums & vermouths. We've matched each spirit to a mixer for a perfect serve. Ask your server for more information.
