MINIMUM *Spends*

For private or semi-private reservations, we will always ask for a minimum spend. The minimum spend provided will be based upon the day of the week, timings of your event, and hire basis.

In order to confirm your reservation we require a £250 deposit, which will be redeemed from your final bill. We also require pre-payment of at least 50% of the minimum spend, settled no later than two weeks prior to your special day.

All minimum spends are inclusive of VAT, however exclusive of a 10% service charge, which is applicable on all food and drinks. Please note that service charge does not count towards the minimum spend.

If your minimum spend is not reached on the day, the outstanding amount will be charged as a room hire fee, to make up the balance of the minimum spend.

ENTERTAINMENT

We are happy to arrange entertainment on your behalf via our recommended company, Contrast, which can be added to the minimum spend.

You are also welcome to organise your own entertainment, which can be approved with the venue in advance of your special day.

VENUE *Decor*

We're located in restored Grade-II* listed railway arches, which provide a stunning backdrop to wedding photos.

We can work with you to create the perfect venue set-up, which could include the use of our beautiful natural living wall, or providing Manchester Gin bottles for use in flower arrangements.

We are located inside a Grade II* listed building, as such any prospective decorations are to be discussed and approved in advance of your big day, and we ask that nothing is affixed to the walls.
