GIN

Signature

9.5

A smooth gin with citrus notes and a slightly sweet finish. Distilled with northern favourites, dandelion and burdock.

Serve Suggestion: Jen's favourite; an orange twist and rosemary sprig with Fever-Tree Mediterranean Tonic Water, or Seb's; a slice of pink grapefruit and Franklin & Sons Naturally Light Tonic.

Raspberry Infused

9.5

Delicately infused with British raspberries to give a gentle, sweet flavour underpinned by a clear gin character.

Serve Suggestion: With the delicate flavour, you can really experiment with your G&T. Fever-Tree Elderflower Tonic or Franklin & Sons Sicilian Lemon Tonic are two popular options though, naturally with more raspberries.

Hacienda

9.5

A beautiful harmony of citrus and the northern favourites, Dandelion and Burdock. Two of the 10 ingredients are lemon and lime - a fitting nod to the acid house movement this iconic venue was famous for.

Serve Suggestion: What better serve than a twist of lemon and lime peel and a classic Indian Tonic!

Overboard

11.5

A delicious and vibrant navy-strength gin full of flavour and character. The higher ABV amplifies the citrus and intensifies the aromatic juniper.

Serve Suggestion: A higher strength gin deserves respect. Keep it quintessential with Fever-Tree's Indian Tonic Water and a lemon twist.

Wild Spirit

9.5

A creamy, savoury gin with complex herbaceous notes. Inspired by long walks through the woodlands of South Manchester.

Serve Suggestion: Great with blackberries and a sprig of thyme. Try with a classic tonic or for something different, try with Franklin & Sons Rosemary Tonic with Black Olive. Trust us!
