Decor

Our venue is located in restored Grade-II* listed railway arches, which provide a stunning backdrop to wedding photos.

We can work with you to create the perfect venue set-up, which could include the use of our beautiful natural living wall, or providing Manchester Gin bottles for use in flower arrangements.

Due to the venue being in a Grade-II* listed building, any prospective decorations must be discussed and approved with our events team in advance of your big day. We also ask that nothing is affixed to the walls, windows or furniture.

Ahead of your big day, our experienced team will meet with you to discuss decor and seating arrangements, making sure your day is everything you've dreamed of.
